Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted applicant to indicate that the application was in condition for allowance except for a small error in the dependency of claim 54. Claim 54, as written, depends from claim 89 which has been cancelled. The examiner suggested that claim 54 be amended to depend from claim 50 as claim 89 depended from claim 50. Applicant agreed to this change; an examiner's amendment to follow..
